

Band Camp Information

We will begin every day at 8am outside on our dot in fundamental block. Monday will be no exception. In order for this to happen, you must arrive early enough to enter through the main doors at the bus loop, get your temperature checked, retrieve anything you need from the band room, and exit through the back band room doors.

LUNCH WILL BE PROVIDED THIS YEAR. Due to the fact that we still received food for the first week of camp, we will be providing lunch. A menu of each day can be found on the band calendar at www.corbinbands.com. (this is still being decided but it will be posted soon!)

Items you need to bring to camp include:

Mask	Water bottle	Good Attitude
Instrument/Flag	Warm-up Packet	Extra socks/clothes
Hat	Sunblock	Deodorant

Your mask must be worn anytime you are moving in the building. Once you are seated and stationary (and properly distanced) you may remove it.

Your mask can stay off while outside AS LONG AS YOU STAY SOCIALLY DISTANT. If instruction or an activity causes you to be less than 6 ft apart (an example would be across-the-floors for color guard) you must be masked.

You MUST stay socially distant on breaks.

As a reminder, marching band does use running laps and push-ups as corrective action. Being late, disrespectful, or unfocused can result in laps or push-ups. These corrective actions are only given out by staff or directors.

LEADERS: Your water & cleanup duty schedule is on the calendar.

SPIRIT DAYS are listed on the calendar. Your squad will get points for your participation.

Please arrange to be picked up on time. You will be dismissed at 5pm. Once your area is clean & sanitized, you are free to leave. Everyone should easily be able to leave by 5:10.
